OTHER HIGHLIGHTS

My Library

I have a library consisting of over 1000 titles in the form of books, tapes, CDs, and DVDs – one of the best personal libraries in India.

Countries Visited

I have studied, undergone training and attended workshops and conferences in USA, Singapore and Thailand.

Therapy, Teaching & Training Methods

I use interactive and experiential techniques along with small group discussion. I am good at creating new techniques and experiment with them during my therapy sessions. The most challenging cases interest me most, and never admit defeat.

ON THE ANVIL

In order to take the Couples Therapy to the common man's doorstep, I am into a nation-wide project. For details, view my [Couples Therapy Flow Chart](#).

I am also planning to make a film on couples therapy and psychotherapy.
